Do we hold the correct information about your business?

This registration certificate contains information about your business. It is your responsibility to ensure that the information is correct. If it is incorrect, you should report the correct information to the Danish Business Authority (Erhvervsstyrelsen). You can do so by logging on to www.indberet.virk.dk using your NemID.

If there are changes to your business

You have a duty to report any changes to your business to the Danish Business Authority. This may be if, for example, you change your business address, stop being an employer or close down your business. When you report a change, it is important that you enter the correct date from which the change will apply.

Once you have reported the new information, you can obtain your updated registration certificate by logging on to www.skat.dk/tastselverhverv and selecting '*Profil*' → '*Registreringsbevis*' (*Registration certificate*).

If this is the first time you set up a business

Please see www.skat.dk/ownbusiness where you will find answers to many of your questions.

Further information on how to change information about your business, deregister from VAT, payroll tax, etc. or how to close down your business is available at www.indberet.virk.dk. You can also call the Danish Business Authority on (+45) 72 20 00 30.

You can find answers to questions about the Danish Labour Market Supplementary Pension Scheme (ATP) at www.virk.dk/atp → '*ATP in English*'.
